Retirement Online Toolkit – Employers

Retirement Online provides a convenient way for your employees who are members of the Retirement System to do business with NYSLRS.

We hope you'll spread the word about our services by including *Retirement Online* in your regular communication to your employees. To help you, we've created this toolkit with a variety of materials that are ready to use.

Among the items included are:

- Frequently asked questions about registering for an account
- Content for you to copy and paste into emails, newsletters, social media posts and notices
- Flyers you can print and hang up or provide to members
- Web badges for your intranet or web page to link to *Retirement Online*
- Graphics and marketing materials

If you have questions about the toolkit or have a suggestion, please contact our Retirement Online Help Desk at 1-844-619-9614. This number is for employer use only.

If your employees need assistance with *Retirement Online*, please direct them to call the NYSLRS Contact Center at 1-866-805-0990 or 518-474-7736 in the Albany, New York area. Your employees may also email us using our secure contact form at www.emailNYSLRS.com.
