

Signing in to Retirement Online

The new NYSLRS website changes the way employers sign in to Retirement Online. From the new NYSLRS homepage, click 'Sign In' in the navigation bar at the top of the page or click "Sign In" in the Retirement Online box:

The screenshot shows the NYSLRS website interface. At the top, the navigation bar includes links for Members, Retirees, Employers, Forms, Publications, and Retirement Online Sign In. A red box highlights the Retirement Online Sign In link, with a red arrow pointing to it from the text above. Below the navigation bar, there is a search bar and a breadcrumb trail: Home / Retirement. The main content area features a banner for Retirees Contribute, a navigation menu with links like Salary and Service Credit, Estimate Your Pension, Planning for Retirement, Pension Payment Calendar, and Report a Death, and a Retirement Online sign-in box. The Retirement Online box contains the text: "Whether you're a member, retiree or participating employer, Retirement Online gives you a convenient and secure way to do business with the Retirement System." It lists online availability hours and includes a red "Sign In" button, which is also highlighted with a red box and a red arrow from the text above. To the right, there is a "World Trade Center Notice Deadline Extended to 9/11/2022" section with a "Read More" button.

Retirement Online Learn More Page for Employers

The design of this and all Retirement Online “learn more” and “how to” pages has NOT changed, but their URLs have.

The screenshot shows the top portion of the Retirement Online website. At the top left is the NYS Comptroller's logo and name, Thomas P. DiNapoli. To the right, it says "Office of the NEW YORK STATE COMPTROLLER". In the top right corner, there are links for "Contact Us", "Subscribe", and "Translate". Below the header is a navigation bar with "News Blog", "Email Sign Up", and social media icons for RSS, Facebook, Twitter, and YouTube. A "Sign In" button is prominently displayed in the center. The main heading "Retirement Online" is underlined. Below this is a secondary navigation menu with "Home", "About", "State", "Local", "Using Retirement Online", "Events", "Contact Us", and "For Business Partners". The main content area features a testimonial from Vicki Bucciantini, Business and Operations Manager at East Greenbush Library, who states: "Retirement Online saves a lot of time and paperwork. It's eliminated the lag between enrolling employees and getting the information we need about contribution rates and loan payments." Below the testimonial, there are two sections: "Get Ready for Enhanced Reporting" with a paragraph about the switch to enhanced reporting, and a "HOT TOPICS" box containing three items: "Employer credits. Read More...", "How to handle deficiencies. Read More...", and "Learn how to view and prevent improper withholdings. Read More..."
